Economic Development Director Katherine Toraason explained that the Illinois Safe Routes to School Program grant would allow the repair or replacement of sidewalks within two miles of a school. The City has worked in conjunction with the Superintendent of Schools and School Board to determine the sidewalks and routes that are being submitted for consideration. These include:

- New sidewalk on the west side of Malcolm Avenue to O'Connor
- New sidewalk on St. Vincent Avenue from 24th to 29th Streets
- New and repairs on sidewalk on the north side of 5th to 8th Streets between Bucklin and La Fayette.
- New sidewalk on the north side of Second Street between Hennepin and Sterling.

All sidewalks will be ADA compliant with ramps and curbs. The total grant award is \$200,000, however the project is estimated to cost \$248,000, with the City covering the \$48,000 difference. Ms. Toraason stated that she has received a letter of support from IDOT. Surveys were sent to the parents and students within the school district. She explained that having support from the school district and other entities is vital. The school board passed a resolution of support for this grant. The grant is due November 19, 2018, with awards being announced in March 2019.

COMMENTS

Bianca Cahue of Studstill Media inquired as to why the City of La Salle has twelve properties on the Delinquent Tax List. Finance Director Duncan explained that all of these properties are City owned and tax exempt. There were certain filings that needed to be done in order to remove them from the tax rolls. Filings were submitted by the City for 2018 taxes due in 2019, but the State informed the City that separate filings needed to be done for 2017 taxes due in 2018. This is the reason for the delinquency. Mr. Duncan stated that the City Clerk and City Engineer have been working on this issue with the State and to his knowledge it has been resolved.

County Board Member Mike Kasap announced that the La Salle Rotary will be holding its annual draw down on November 8, 2018 at the Paramount Club. Tickets are \$50 with proceeds benefiting the Rotary Park Foundation.

Mayor Grove thanked all involved with the recent Ladies Night Out downtown La Salle. He indicated there was a good turn-out and many positive comments were received. He added that Saturday, October 27 will be the City's Hometown Halloween. The costume parade begins at 11:15 a.m. with downtown Trick or Treating to follow. Alderman Demes announced that 50/50 tickets will be available.

Alderman John Duncan III tendered his resignation as Third Ward Alderman after serving for six years. He stated that the resignation would be effective at the end of tonight's meeting. He

stated that over time he has found it difficult to serve in this capacity while also practicing law full time. He continued by stating that he has many long term clients and feels an obligation to them. At this time, one long time client is embarking on a significant project that requires approval from the City. The client has requested Attorney Duncan's services to complete this project, therefore leading him to the decision that he must tender this resignation. Alderman Duncan thanked the Mayor for initially appointing him and for his enthusiasm and dedication to the City. He also thanked his fellow aldermen for all the work they do in the best interest of the City. He hoped the council will continue to work in the spirit of cooperation and respect. He also thanked the City Staff. He added that it was personally rewarding knowing that he was serving in the same capacity as two of his great-great grandfathers had in the 1800's. He ended by extending his best wishes to everyone and stated that he will continue to support La Salle.

Mayor Grove stated that the resignation is accepted with regret. Mayor expressed that Alderman Duncan never disappointed in his professionalism, thought process, input and knowledge of both the law and business. Mayor Grove stated that he was a great addition to the council. He thanked Alderman Duncan for his love of the City and for the many ways he and his family have served the City over the years.

Those in attendance stood and applauded Alderman Duncan in appreciation of his service.
